

TECHNICAL DATA SHEET

PRO-GUARD CHAIN LUBE FLT SPRAY

PRO-GUARD CHAIN LUBE FLT SPRAY is a clear chain lubricant specifically formulated for use on chains, drives, and tail-lifts in mechanical handling applications. It is formulated to give superior penetration of the links with minimal run off, whilst simultaneously providing excellent film tenacity. This ensures long lasting lubrication and significant resistance to water.

FEATURES

- Deep penetration of the links providing excellent lubrication
- Quick evaporation leaving an adhesive, protective film
- Resists flinging to a remarkable degree
- Applied from an aerosolised container for ease of use
- Contains advanced anti-corrosion and dewatering additives to help increase chain life

NOTE

Always allow the solvent to evaporate to leave the finished product, failure to do so will allow the product to fling.

TYPICAL PHYSICAL CHARACTERISTICS

Appearance	Clear aerosol	
Flash Point	< -40°C	
Auto Ignition Temperature	410 – 580°C	
Flammability Limit	Lower 1.8%	Upper 9.5%
Product Code	60990
